

Apple Day Event! Join us in celebrating fruit

growing, apples and orchards

Saturday 4th March, 11am-2pm When?

Where? Meet at Rosemount Grove, Leven, KY8 4FY

Join us for a free apple event, with fun activities celebrating Scottish fruit and apples, such as: apple pressing, spiralising and tree planting. We will have some tasty snacks for you too!

Fruit growing could form part of the designs for Leven River Parks Nature Network, so please come along, join in and give your thoughts on the project.

This is a drop-in event, so there is no need to book. Meet us at the purple marquee which we will put up at **Rosemount Grove**, just along from the shops.
